Dedication

In grateful acknowledgment of his high ideals, his interest in and cooperation with all the student activities of the College, his noble efforts for the advancement of our Alma Mater, and his sterling Christian character, we affectionately dedicate this volume of the Harveyan to our esteemed President and true friend--

Dr. Robert H. Ruff

Foreword

When you have gained the goal of life and you have nothing more to do, will you not take this book and wander back once more to the life you would gladly live again, and review the campus, buildings, teachers, and old acquaintances that have helped you so much in attaining your heights in the work you set for life?

Athletic Review

The past school year has shown conclusively that Morris Harvey College has begun to come to the front in athletics. Much has been accomplished that was hitherto visionary.

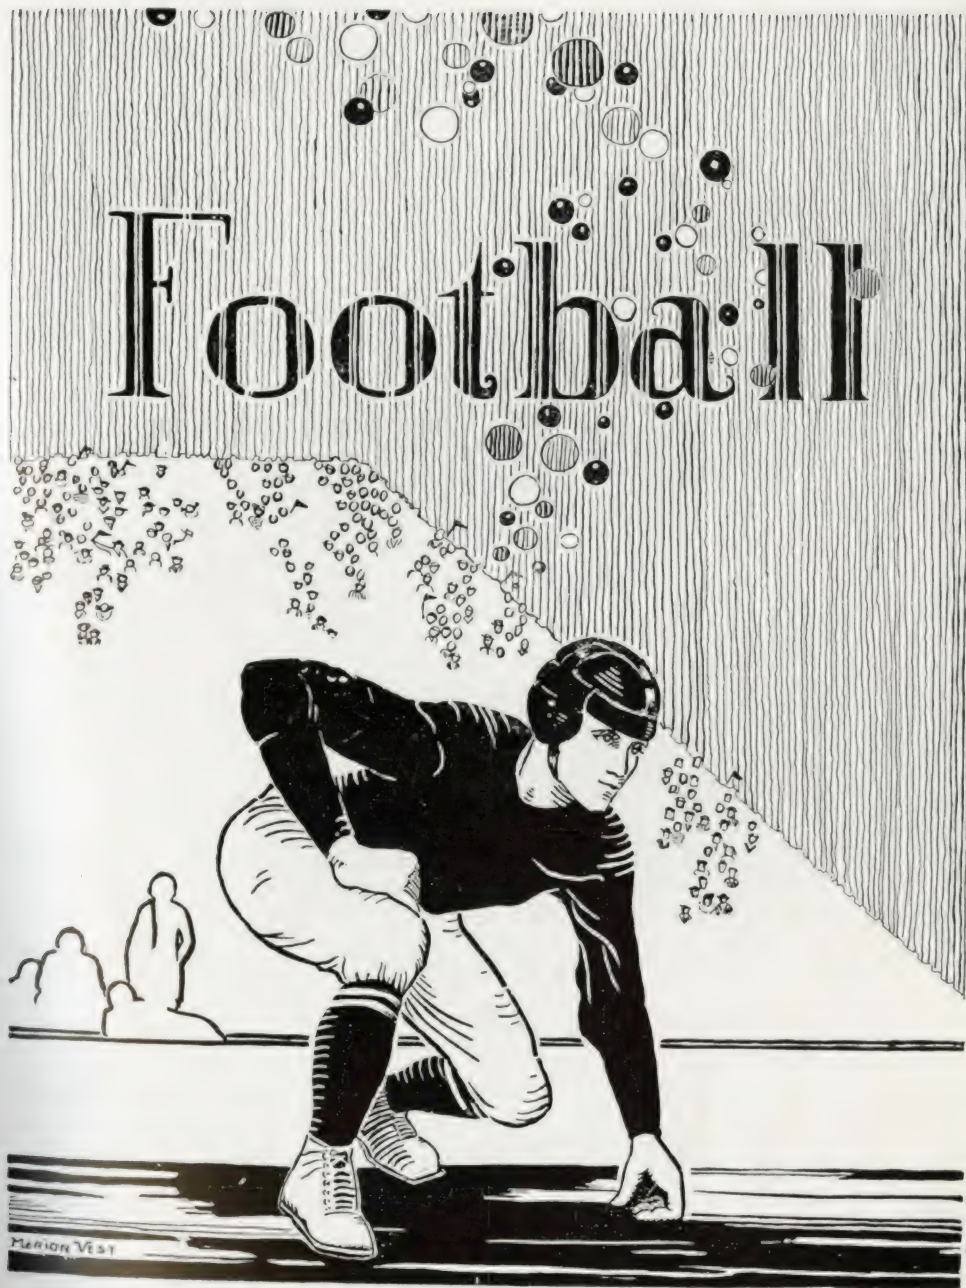

A few years ago most of us were dreaming of the time when we might win most of the games in each branch of athletics. This dream has, to a certain extent, been realized, for this year has brought us our share of games won in football, a good standing in the conference in basketball, and, with the baseball season coming on as this book goes to press, we have the best outlook for a successful year in athletics in the history of the College.

Under the direction of the Athletic Association, all officers of which are elected from the student body at large, the financial aspects of athletics have taken on a new form. This organization has charge of the finances and the publicity given to athletics, and we believe that much will be accomplished within the next year.

A great deal of recognition that has been gained this year in athletics is due to the splendid way in which the faculty and the college at large have supported our teams. With this kind of spirit within her walls Morris Harvey is sure to get ahead, and another year should find us nearer the goal of having the best athletic teams in the state of West Virginia.

To Coach E. M. "Brownie" Fulton goes the lion's share of our praise. Without question he has done more than his part as a coach to bring the college to the front in athletics. Through him many new athletes have been drawn to our school. Beyond a doubt "Brownie" Fulton is one of the best coaches in the state, and he has proved this fact by the teams he has built from the practically green material that has come to him.

Graduation takes from our college this year an athlete who for the past three seasons, has been a great aid in winning games for the "Golden Eagles." This is T. Thayer Rhodes, who was a great halfback in football, a heavy scorer as a forward in basketball, and a good baseball player. Morris Harvey will miss him, but expects great things from him should he enter the coaching field. We are sorry also to lose ex-captain Monaghan of the 1927 football team. Graduation does not remove him from us, but "Monty" has expressed the desire to return home to the cotton fields of the Lone Star State. The other stars of the gridiron, court, and diamond will don the uniform next season and continue to carry on for Morris Harvey as they did the past season.

Marion Vest

Football Review

The Golden Eagles deserve praise for their achievements the past football season. The St. Xavier game started the Eagles flying high. Though the game was not won by them, the final score being 39-6, the team displayed class and made a good showing against the opponents, as is evidenced by the results of other games played by St Xavier.

During the season the Golden Eagles played eight games. Of this number three were victories, four were defeats, and one was a tie. Morehead, Rio Grande and New River, old rivals of Morris Harvey, were the teams defeated. St. Xavier, Glenville Normal, Kentucky Wesleyan and West Liberty won from Morris Harvey in closely contested games. The tie, which should have been a victory for the Eagles, was played with Bluefield College.

Each man on the team deserves individual praise for his support of the team, his clean sportsmanship and his devoted loyalty to Morris Harvey. Captain Monaghan, for his leadership of the Eagles, won a place not only in the hearts of the men on the team but in the hearts of every student in the college. Eldon Bradshaw, captain-elect, will lead the Fulton men next year. With the return of most members of this year's team, a victorious season is predicted. It is with much regret that we lose "Dusty" Rhodes and Captain Monaghan. Fate finds "Dusty" listed with the graduating class and "Monty" is Texas bound.

The season is now a fond memory, but we look forward to the dawning of a new day, when the Golden Eagles of Morris Harvey will soar even higher than they did this season.

Basketball Review

A survey of the past basketball season shows that Morris Harvey's Golden Eagles completed a very successful year. Out of twenty-three games played, fourteen were victories. A record of the conference games played shows eight victories and five defeats. New River, Concord, Marshall, Broadus and Alderson were losers to the Eagles. Davis and Elkins, Potomac State, Marshall and New River are the teams to whom the Golden Eagles bowed their heads in defeat. Davis and Elkins had one of the best teams in the state, having lost only to Salem College, the state champions. Potomac State and Marshall also had excellent teams.

The outstanding feature of the season was the winning of two out of three games from Marshall College, old time rival of Morris Harvey; and by these victories the Eagles soared to sublime heights, becoming champions of Southern West Virginia.

"Dusty" Rhodes was high point man for the season, with George Clark as a close second. Clark was the high point man of a single game. Steve Zelazo, by his spectacular dribbling, thrilled the crowds and proved a very valuable man for the Eagles, "Buster" Burns, captain of the team, deserves much praise for his able leadership. His teammates won the whole-hearted admiration of the students and other fans, and their praise was justly given. The Eagles fought their way from the bottom of the conference league to fourth place. Their fighting spirit is sure to carry them on to victory next season, and, with a few more laurels won, Morris Harvey's name may stand at the top of the list.

Review of Basketball Reserves

The Reserves were composed of those men not quite good enough to make the Varsity. Under the leadership of Eldon Bradshaw they had a successful season, winning eleven of the twenty-one games scheduled, and losing the others by a narrow margin. Considering the fact that they did not have a regular coach, this record is very good.

Regardless of the results, this team had a lot of practical experience and should feel better prepared for the Varsity when the basketball season rolls around next session.

GIRLS' BASKETBALL SQUAD

Top Row, left to right:—WALLACE, LONG, COACH BRADSHAW, PENNYBACKER, E. HOPSON.
Bottom Row:—SMITH, VANCE, CAPTAIN NUTTER, MAY, WINTZ.

Girls' Basketball Review

Coach Bradshaw's co-eds have finished one of the best basketball seasons in the history of the college. Under the leadership of Captain Lelia Nutter, the girls won seven out of twelve games. The Eaglets lost only three games, these being to Alderson, Greenbrier and Ceredo-Kenova. St. Albans High School and Hamlin High School tied with the quintet. Among the teams that Morris Harvey defeated are Barboursville Hi, Hamlin Hi, Milton Independents, and Chesapeake Hi.

Sally Long and Truby Vance are the only regulars whom the team will lose, as they are listed with the Seniors. They have done splendid work and their places will be hard to fill. However, with the rest of the quintet, the subs, and the new material under the coaching of Bradshaw, we can look forward to bigger and better things for the girls' basketball team next season.

SEASON'S RECORD

Won 7 - Lost 3 - Tied 2

Baseball Review

The baseball team of last year was one of the best teams the school has ever produced. We came very near attaining the glory of a clean slate, losing only one game during the season. Beyond a doubt ours was the best team in the state, and we were considered conference champions by all the sport writers of the region. One man stepped from our diamond into a berth with the St. Louis Cardinals, and several went to good teams of other professional leagues. The Eagles won seven games and lost one. Notable among the games won were the two from Greenbrier and the three from our keen rivals, the Big Green of Marshall.

To Captain Vitez and his cohorts goes a great deal of praise, and much could be said of the individual men. Outstanding stars were "Hick" Myres and "Buster" Burns, both outfielders, who were always a threat at the bat. Harley Ball, "Tommy" Thompson and little Ed Smith are due special recognition for their work on the mound. This year's team will have to step lively if they better the record set by the team of 1927, but, with the wealth of material on hand, we expect Coach Fulton to bring together another winner for dear old M. H. C.

The organization of the Tennis Club was effected at the opening of the school year at the suggestion of Coach "Brownie" Fulton. The membership, though very small at the beginning, soon became thirty strong, and it is the aim of the club to make tennis one of the major sports on the campus.

With the financial aid of the college and the enthusiastic support of Dr. Ruff, Mr. Woodruffe, "Brownie" Fulton, Dean Toothman and Coach Blackwell, the club soon had the courts in fine shape. Preliminary touranments were held in the fall, and, as we go to press, the students are staging their work-outs in preparation for a very busy season. Though tennis has been considered a minor sport in Morris Harvey, it is believed that it will come to the front and become one of the leading recreations.
